

## European Regulation No. 1907 / 2006 REACH

30<sup>th</sup> July 2015

To Whom it May Concern:

We wish to advise that regarding the conformance and goods supplied by **CY Sheet Metal Ltd** to the aforementioned regulation and the latest update from **ECHA** on the 15th June 2015 whereby the number of substances in the candidate list of **Substances of Very High Concern (SVHC)** for authorisation was increased to 163 (full listing can be seen on the **ECHA** website).

We now confirm that we are in receipt of written verification from our supplier base that without exception the goods supplied conform to the present **Regulation No. 1907/2006** including updated **Annex XV11 of June 2006** and the additional quantity of **SVHC** substances.

**CY Sheet Metal Ltd** being a downstream user will comply with its obligations under the **REACH** directive within its definition.

As a result, we are in close contact with our suppliers for continual updates.

In such cases whereby registration of these **SVHC** substances is required we have been assured that any information in this regard will be passed on to the customers as and when required. This will either be in the form of direct correspondence or in the form of Product Data Sheets produced by our suppliers.

It must be noted that in some instances these companies have been or are still directly involved with **REACH** in the process of preparation and continuous improvements to this regulation.

We trust the above meets with your satisfaction and ensure you of our best attention and service at all times.
